

## 29<sup>th</sup> Sunday in Ordinary Time (A)

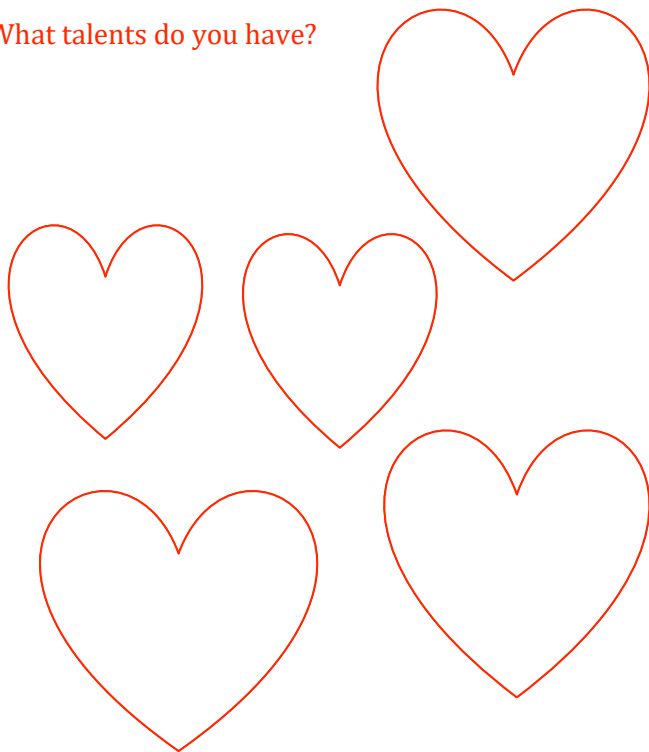

In this weeks Gospel we are reminded that God gives us never ending love. Jesus is very clear that we should give back to God what belongs to him. God wants us to be happy, joyful and filled with peace. He wants us to share friendships, and feel calm and content when we are alone.

This week remember how much love we are given and remember to give some back by being thankful for all that you have. Look for God in all the good times as well as the bad.

Lord Jesus, We want to love others as you did, but it is not easy and often we make mistakes. Help us to choose to do what pleases God, and to put things right if we have done wrong.

Amen
